I prayed for the younger kids before they get in to the truck. Then send them to school.

Daily send the little kids to school by truck.

This is Pangkhom Church's evangelist house. Evangelist Tychicus and his wife live in this house permanently in Pang Khom village and serving the Lord. Eight families are Christians. So, the Church is meeting temporarily in this house. In the future we will build bigger Church in order to hold more people.

Ex head man of Nong Tong village. Now he is 80 years old. His wife accepted Jesus as his personal savior. So, I approached him with the Gospel. He said he is thinking of Gospel. We will pray for him and share the Gospel to him as long as he lives.
